

About the Logo

On August 6, 2026, the Church Council adopted this logo as the official logo of Trinity United Methodist Church.

What follows explains the meaning behind each element of the logo and how those elements come together to express something of who we are as a church.

The **cross** is central because Christ is central for us. The cross is the sign to us of the saving act of God in Jesus Christ. As Saint Paul said in Colossians 1:17-19,

He is before all things, and in him all things hold together. And he is the head of the body, the church; he is the beginning and the firstborn from among the dead, so that in everything he might have the supremacy. For God was pleased to have all his fullness dwell in him...

The **cross** signifies that this congregation will lift up the cross of Christ in its community.

The **live oak** speaks of shelter for anyone who might need it. It conveys rootedness, belonging to something greater than ourselves, being rooted in Christ. It conveys endurance. With the cross, we are reminded that we find shelter and enduring peace in Christ Jesus, become what is promised in Isaiah 61:3, “oaks of righteousness, the planting of the LORD, to display his glory.”

The **water** reminds us of the Living Water that Christ offers that we might never thirst again. It recalls the promise that streams of living water will flow from anyone who believes in Him. It signifies eternal life.

The **name** reflects us. It signifies this specific community of faith, people called to a common purpose, which is to make disciples and “Lift High the Cross.” We do that as part of the tribe of Christ’s Church known as United Methodists. We lift the cross in the City of Conway.

I hope that you will display the car sticker including in this bulletin on your rear windshield for all of Conway to see!
